

TM x NERAW

Botanical & ceramic workshops

A set of slow, tactile workshops exploring craft and nature, run in partnership with NERAW. Guests choose the format that suits their group, from working with clay to shaping living greenery.

Ceramic Workshop

All materials, guidance, firing and clear glazing of the finished piece included. Pieces are collected or shipped once firing is complete.

Duration – 2 hours · Group size – 2–10 · Cost – €70 / guest

Kokedama Workshop

Guests create their own kokedama using plants, moss, soil and natural materials, and take home a living creation along with care instructions.

Duration – 1.5–2 hours · Group size – 2–15 · Cost – €50 / guest

Bonsai Experience

An introduction to the philosophy and core techniques of bonsai, with a focus on shaping and proper care of the plant. Includes a custom NERAW bonsai pot, the plant, and wiring.

Duration – approx. 2 hours · Group size – 2–10 · Cost – €85 / guest

Planted Ceramics Experience

Guests create a complete planted-ceramic composition, combining a handmade ceramic piece with plants and natural materials.

Duration – 2–2.5 hours · Group size – 2–10 · Cost – €85 / guest

Seed Bomb Workshop | The Modernist Edition

A sustainability-focused workshop where guests make seed bombs using natural materials and Greek herb and wildflower seeds. Can be customised exclusively for The Modernist – even using the hotel's own compost – for an experience with a strong environmental and local character.

Duration – 45–60 min · Group size – 2–20 · Cost – €45 / guest

Kintsugi Experience

Inspired by the philosophy of kintsugi, guests repair and reassemble a broken ceramic piece. For international guests, a traditional Greek plate can be used – a keepsake that blends Greek tradition with a Japanese technique.

Duration – 2–2.5 hours · Group size – 2–10 · Cost – €65 / guest
